You Are Now A Public Figure

Now that you have over 200 points in your Area of Impact, you become a Public Figure with a responsibility to help others. You now play TWO cards each turn, with one card (not a Power Play) played on someone else's Area of Impact. If both cards are played to other players' Areas of Impact, and neither is a Power Play card, one Integrity card is awarded. All conditions of a card played for someone else must be met on their Area of Impact.
